KERJA-KERJA PEMBINAAN DEK
JAMBATAN

CONSTRUCTION OF BRIDGE DECK

Ini adalah pemakluman bahawa kerja-kerja pembinaan dek jambatan akan dilakukan pada 17 September 2025 sehingga 2 Jun 2026 di tapak projek pembinaan jambatan yang kini sedang berlangsung di kawasan Sejingkat. Mohon perhatian bahawa "air draft" akan ditetapkan pada 20 meter semasa kerja berlangsung dan 26 meter akan terpakai semula selepas kerja selesai.

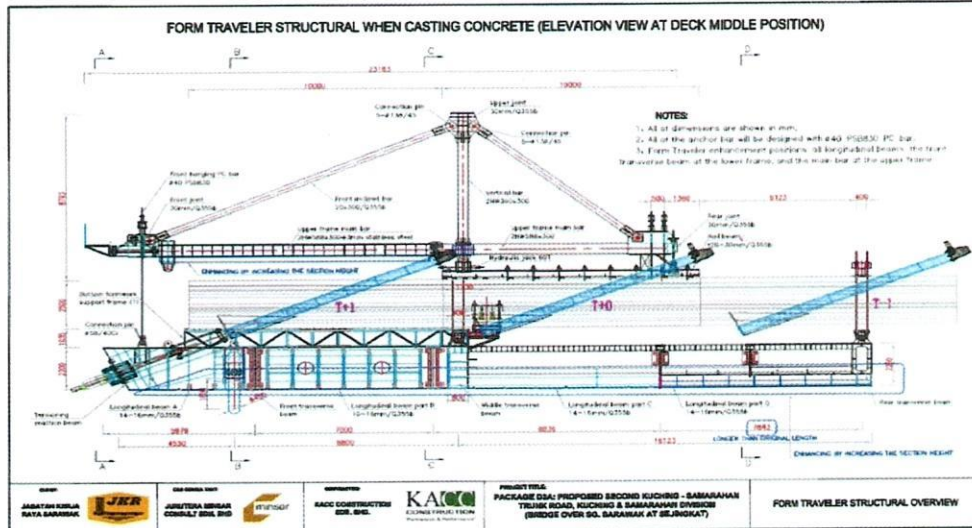

This is to inform that the construction of the bridge deck for the ongoing bridge project within the Sejingkat area will be carried out from 17th September 2025 to 2nd June 2026. Please be advised that the "air draft clearance" will be set to 20 meters during the period and will be restored to 26 meters after the work complete.

Kelebaran alur pelayaran adalah kekal pada jarak 246 meter.

The navigational channel width remains unchanged at 246 meters accordingly.
